

If this has spurred an interest in you about the things I have shared or you have questions, you may contact me at Voices in the Wilderness on Face Book, [VoicesintheWilderness.biz](http://VoicesintheWilderness.biz) or [Voices\\_in-the\\_Wilderness@yahoo.com](mailto:Voices_in-the_Wilderness@yahoo.com). These are my personal sites and I diligently try to respond to every inquiry. Please give me a day or two to respond as I own my own business and also do this.

The story you just read is not some fictional creation. It is the true and personal testimony of a real person, possibly the very person who left or handed you this tract. Nothing in it was embellished or exaggerated no matter how unbelievable it sounds. Miracles are for today in spite of all the skepticism both inside and outside of the church and this person cares about your destiny. Should you have any questions, or want someone to pray with, they may be contacted at the phone number or email address just below.

If they are not available or cannot be reached, someone at **Calvary Chapel Meadows Mesa** is.

Please do not respond to challenge or debate what's been written in this tract. If you feel a need to challenge, it only proves your faith, experience and understanding of scripture leaves you insecure and you need to take inventory. Your misguided theology does not negate my spiritual reality.

If you have a testimony that glorifies God and can encourage, comfort, inspire or motivate others toward God let us help you do so. We will assist, edit and print your testimony tract at no cost to you. 180 WAY is a non-profit entity. We do not pay for testimonies or stories nor do we profit from the sale of these tracts. All proceeds go into the ministry to further promote and print more tracts. Should you wish to purchase them from 180 WAY they are sold in lots of twenty for the cost of printing plus shipping.

## **Is Healing for Today?**

### **My First BIG Healing**

At 27 years old I had already experienced a number of physical healings but nothing like this. After being physically hit by a semi-truck that was doing 65 MPH +, on a freshly asphalted two lane highway just outside Rogers AR, while on my ten speed, there was a few weeks of healing that needed to happen. No trip to the hospital, no appointment with any doctor, just Jesus. Although I literally physically walked away from this encounter and was out throwing a Frisbee that same evening I had severe road rash over 25-30 percent of my body and a fractured pelvis that I wasn't even aware of until three days after the accident. This was confirmed several years later by x-rays during a spinal exam.

After experiencing the molten lead of my first shower at the scene of the accident I was now home and in need of assistance to scrub my wounds clean. The only one with enough love and fortitude to do so was Windel Collinsworth, a personal friend and precious brother in Christ. While in the shower, with tepid water flowing over me, Windel scrubbed all my wounds with an abrasive burlap cloth and Boraxo. All the dirt, grime and crud had to be scrubbed out of them. The pain was so intense I was screaming at the top of my lungs so loud that within moments
