

"Is Healing for Today?" As you get up to go you hand them the tract wishing them the best and letting them know you will pray for them.

Now you're going to pick up your vehicle that's just been repaired and detailed at a local garage. The bill comes to a bit more than expected but you know they are trustworthy and have done well by you in the past. You graciously pay the bill without complaint but ask to see the mechanic and detail person. On the way to your car they approach wondering if they did something wrong. You smile, thank them for a great job done and hand them the tracts with a ten dollar bill slightly sticking out from the inside. You get in your car and drive away. Another way to share the good news is to stuff them inside magazines while your waiting somewhere or hand it to the person on the street corner with a \$5.00 gift card to McDonald's in it. Be creative as your Father is creative. The possibilities are endless.

If you, or someone you know, has a testimony or a teaching that glorifies God and can encourage, comfort, instruct, inspire or motivate others toward God let us help you do so. We will edit, format, add graphics and put it into print at no cost to you. WAY 180 is a non-profit entity. We do not pay for testimonies or stories nor do we profit from the distribution of these tracts. All proceeds go into the ministry to further promote and print more tracts. Should you wish to purchase them from VITW they are sold in lots of 25 for only the cost of printing and shipping when applicable.

Of course this is just a play on words but very appropriate. As one of God's children people should be aware of both where we've come from and where we are going, particularly if we're wanting them to follow us. More over we should be the kind of people who would be desired to be followed. Gospel tracts, in and of themselves, have a limited impact.
